Effective 6/8/2021, attorneys may visit their detained clients in the Jail. Both the attorney and the inmate will be required to wear a mask during their visit. It is in everyone's best interest to schedule these visits. Please follow the guidelines outlined below to schedule a professional visit with an inmate.

## **Scheduling In-Person Professional/Attorney Visitation:**

1. Routine professional/attorney visits with inmates will be allowed by appointment only. *Unscheduled professional/attorney visits will not be allowed.*
2. Written requests must be emailed to [DetentionsSchedule@clearcreeksheriff.us](mailto:DetentionsSchedule@clearcreeksheriff.us).
3. The requester must provide the full names and driver's license numbers for each professional/attorney requesting entrance. Attorneys must also provide their attorney registration numbers. All parties must clear a background check prior to entrance.
4. Jail personnel will respond to your written request and schedule the date/time of your visit.
5. The professional/attorney must check-in and give their credentials to the front desk. They will need to answer the COVID questions, and have their temperatures taken. All parties must be wearing a mask before they are allowed entrance into the jail.
