## NEW CLEAR CREEK COUNTY MANAGER NAMED

After conducting an extensive search and interviewing an impressive list of candidates, the Clear Creek County Board of County Commissioners (BoCC) has hired Brian Bosshardt as the new County Manager.

Bosshardt brings more than 23 years of local government experience to Clear Creek County, with expertise in Organizational Change and Development, Neighborhood Outreach, Intergovernmental Relations, and Team Building and Staff Mentoring. In addition to running his own consulting firm, he previously was City Manager of Bedford, Texas and Deputy County Manager and Assistant to the County Administrator of the Incorporated City & County of Los Alamos, New Mexico.

“The professional opportunities and priorities outlined for the County Manager position are exciting to me,” says Bosshardt, “and I feel my communication, facilitation and leadership skills are an excellent fit with the current needs of the Clear Creek County organization.”

Bosshardt replaces Keith Montag, who is retiring after nearly seven years with the County. Until Bosshardt officially begins on June 7, Montag will contract back to the County on an hourly basis to assist with priority programs and projects.
