

# Public Feedback Survey for the Clear Creek County Hazard Mitigation Plan

Clear Creek County is updating its Hazard Mitigation Plan in cooperation with the City of Idaho Springs, Town of Empire, Town of Georgetown, Town of Silver Plume, and Clear Creek Fire Authority.

This plan analyzes the County's vulnerabilities to natural hazards, and identifies mitigation actions the jurisdictions can take to lessen the impacts of disasters minimizing property damage and reducing the loss of life.

The Clear Creek Hazard Mitigation Plans is updated every five years as required by the Federal Disaster Mitigation Act of 2000. This update ensures the jurisdictions remain eligible for federal pre- and post-disaster financial assistance.

The draft 2021 Hazard Mitigation Plan is being made available for public review and comment before it is finalized. Please use this survey form to submit your comments on the draft plan.

Please provide comments by October 10th, 2021. Thank you for your input!
