HOW DO I GET TESTED?

TUESDAYS | 10am – 2pm | Idaho Springs
EMS Station | 411 Chicago Creek Rd./Cnty. Rd. 103
NO APPOINTMENTS REQUIRED -- just drive up
during clinic hours and register onsite.

To reduce wait-time, pre-register at:

<https://covidcheckcolorado.org>

- Individuals tested must be inside an enclosed vehicle for safety. No walk-ups or motorcycles allowed.
- Please arrive wearing a mask.
- Nasal swab testing at no cost to you.
- No physician order or insurance required.
- Open to neighboring communities and counties.
- Provided to individuals 2 years of age or older.
- Results available directly to you in two to four days.

YOU SHOULD GET TESTED IF:

You have been in close contact with someone who has tested positive for COVID-19.

You are or will be in close contact with a member(s) of the vulnerable population.

You are experiencing one or more COVID symptoms.

Anyone who wants to get tested for any other reason should test as needed.

COVID-19 SYMPTOMS MAY INCLUDE:

fever or chills | cough | fatigue | sore throat | headache

shortness of breath or difficulty breathing

muscle or body aches | new loss of taste or smell

congestion or runny nose | nausea or vomiting | diarrhea

HOW DO I GET THE VACCINE?

Clear Creek County is now collecting information for individuals interested in receiving the vaccine in any vaccine distribution phase. Please follow these steps:

1. Complete this online *Google Vaccination Interest Form*:

<https://forms.gle/wk3dowktX3qMvrPh9>

This link is also on our website.

- After you complete this online form, you will receive an instant pop-up receipt.
- A short while later you will receive an email confirmation of the information you submitted. Be sure to check your Junk/Spam folders.

If you do not have internet access, please leave a message on our **COUNTY COVID HEALTH LINE** at **303-670-7528** and you will receive a call back.

2. Self-schedule your appointment:

When vaccines are available for your phase AND a clinic is scheduled, you will be notified by email (or phone if you are not able to receive email) to schedule yourself for an available appointment time for your first dose.

- After you receive your first dose, we will schedule your second dose 28 days later. We currently receive the Moderna vaccine, which requires two doses 28 days apart. You must be available for both doses.
- **You must have an appointment to be vaccinated.**
- Appointment availability is dependent on vaccine supply and current eligibility according to State guidance.
- County Public Health and Safeway Pharmacy receive limited supplies.
